Invitation to find out more about dementia support

Events to alert carers of people with dementia to the services and support available are being held in South Tyneside and Sunderland.

They have been organised by South Tyneside NHS Foundation Trust and will bring together a number of health, social care and voluntary agencies. As well as providing information, staff will be on hand to listen to carers' views on services.

The Trust's Deputy Director, Nursing and Patient Safety, Louise Burn, will open both events. The first one, on Tuesday, September 23rd, will be held in the staff dining room at Palmer Community Hospital, Jarrow, from 10.30am to noon. The second will be on Thursday, September 25th, from 1pm-2.30pm in the Jack Crawford Room, Sunderland Museum and Winter Gardens. There is no need to book, simply drop in.
