## Trust says 'Come and join us'

Nurses are being invited to an event to find out how South Tyneside NHS Foundation Trust can help them to further their careers.

The Trust will have a recruitment stand on Saturday, June 6th, in Alexander's Restaurant at South Tyneside District Hospital, from 2pm to 5pm.

Dr Bob Brown, Executive Director, Nursing and Patient Safety, said: "Our Trust has an excellent reputation for patient safety and innovation and we are committed to investing in education, training and development to allow staff to continuously develop their careers.

"We want caring, compassionate nurses and midwives to come along and find out what we can offer them. The fact we are an integrated Trust, providing both hospital services in South Tyneside and community services in South Tyneside, Gateshead and Sunderland, presents some really exciting opportunities for our staff. We are also ambitious: our vision is to be the premier combined hospital, community and wellbeing provider in the North East by 2020 and we need more staff of the highest calibre to help us to achieve that."
